

December 7, 2012 – Ohio Visitors DART Bus Riding and City Kudos

Hello, My sister and I visited Wilmington, Newark, Claymont, and Dover this year. We rode about 15 buses through the city and surrounding area. We love your bus service. It's very convenient, the buses are clean and they go just about everywhere and it's so cheap. I still have \$25 left on my bus card and we rode all over for an entire week. We love Wilmington, too. It's a lovely city. We had read so many negative reports on City-Data that we were reluctant to visit, but now we know better. Every city has its problems, but you all have a lot to be proud of and well be back Thanks
